PACER

The United States Bankruptcy Court for the District of South Carolina is pleased to announce a new public information access service. Pacer (Public Access to Court Electronic Records) allows you to retrieve electronic docket summaries using your computer or terminal and a 19200, 9600, 2400 or 1200 baud modem in your office or home virtually 24 hours a day.

You can search for a case by participant name or case number. Once you find the case you want, you can have all the basic case information and a listing of the case docket entries for the last 6 months. You can track the progress of a case in seconds.

All case information entered during the day is updated into PACER that night. Case information for active and recently closed cases is available, without making telephone calls or trips to the court.

PACER FEATURES

- Access to daily case report of new bankruptcy filings
- Retrieve official registry of claims/interests for a case (updated weekly)
- View docket entries in reverse chronological order (most recent docket entry listed first)
- Select, if desired, only a portion of lengthy docketed cases
- Access to archived case summary information (cases closed over one year)
- Menu screens to provide reports and permit new services to be added in the future
- 362 Motions Calendars
- Monthly Closed Cases Report
- Daily Cases Filed Report

We encourage you to consider registering for PACER. It will save much time and will permit you to "track" a case on your own PC. You will be able to determine whether an order you are interested in has been docketed -- if not, you can check again the next day.

The cost for this service is .60 per minute (established by the Judicial Conference of the United States) -- you should be able to download 3-4 cases from PACER per minute. To register, contact: PACER Billing Center, PO Box 780549, San Antonio, Texas 78278-0549 (telephone: 1-800-676-6856). You will receive your PACER system Login ID and Password, billing information and PACER User Documentation directly from the Billing Center.

PACER is available at many appellate, district and bankruptcy courts -- a list of those courts and access telephone numbers is available from the Intake Division of the clerk's office. Billing procedures vary and in some courts there is currently no charge for PACER. You may contact Chris Matras at (803) 765-5436, ext. 3055 if you need more information.

Access to case images is available at our Web PACER site (pacer.scb.uscourts.gov). This site offers PACER information over the Internet. You may retrieve case information, claims registers, mailing matrices, cases filed report, closing and reopening reports, docket sheets and document images. You are required to have a PACER account (register at 1-800-676-6856). There is a \$0.07 per page charge to view or download (there are no per

minute charges for Web PACER).
