When a person orders mailing lists or labels from the clerk's office or from a chapter 13 trustee's office for the purpose of giving notice, that person must inspect them to ensure that all parties required to receive notice are included thereon.

**New Mailing Lists.**

Because mailing lists change as a result of notices of appearance, claims or other documents being filed which effect the parties and the addresses on the lists, a party must request new mailing lists or labels from the clerk's office each time any documents are served on the full mailing matrix.

**Form of Notices.**

Parties should utilize the appropriate Local Official Forms when performing noticing functions which are available on the court's Internet web site at [www.scb.uscourts.gov](http://www.scb.uscourts.gov), on PACER Classic and are available at the Intake Division of the clerk's office.
