From: Office of the United States Trustee, Columbia, SC Field Office

Date: March 18, 2020

Re: Teleconference meetings of creditors - mandatory

Effective March 23, 2020, and until further notice, all meetings of creditors scheduled in the District of South Carolina in all chapters will be held by teleconference. The meetings will be held on the date and at the time originally noticed in the cases. Trustees in chapters 7, 12, and 13 cases will contact debtors' counsel and pro se debtors and supply information regarding that trustee's procedures for conducting meetings of creditors by teleconference. The United States Trustee's Columbia Field Office will supply this information in chapter 11 cases.

The method of communicating information to parties by the trustees and by the United States Trustee will be electronic to the extent possible using the email information found in each case. Debtors' counsel is responsible for communicating the appropriate teleconference information to their clients.

Debtors' counsel and their clients are not required to be at the same physical location while a meeting is being conducted.

Creditors and parties in interest desiring to appear at a meeting of creditors should contact the trustee in the case using the information below to obtain information regarding how to attend a meeting by teleconference.
