LOCAL RULE 1001-1: SCOPE, CITATION, AND APPLICABILITY OF LOCAL RULES

- a. **Scope and Citation of Rules.** These local rules govern practice and procedure before the Court. The rules are to be cited as "District of South Carolina Local Bankruptcy Rules" and the individual rules may be cited as SC LBR ____ or "Bankr. D.S.C. R. ____."
- b. **Construction of Rules.**
 1. **Construction with Other Rules.** These rules do not create, modify, or abrogate substantive rights. The rules are not to be construed in a manner inconsistent with the [Federal Rules of Bankruptcy Procedure](#) and the applicable Federal Rules of Civil Procedure.
 2. **Gender; Plural.** Whenever applicable, each gender includes the other gender and the singular includes the plural.
 3. **References to Rules and Statutes.** Any reference in the local rules to a statute or a rule shall include amendments or successors thereto.
 4. **References to Debtor and Creditor.** Reference to "debtor" or "creditor" in the local rules shall also include counsel for the party where appropriate.
- c. **Local Forms.** When a rule requires a party to use one of the Court's local forms, the filing party should ensure that the form filed is in substantial conformance with the required local form. For proposed orders, instructional footnotes, and document identification information, such as form version numbers or coding that indicates a form is internal to a law firm, should be removed prior to submitting the order to the Court. For notices sent by the debtor, the debtor shall include the debtor's address and last four digits of the debtor's social security number or taxpayer identification number in the caption of the notice. This information may be excluded from notices sent by other parties.
- d. **Suspension or Modification of Local Rules.** A judge may, *sua sponte* or upon motion of a party in interest for good cause shown, suspend or modify the application of any local rule(s) to a particular case or proceeding.

Notes:

(2008) Portions of former SC LBR 9001-1 were consolidated into paragraph (b) of this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions. Former paragraphs (c) and (e) were deleted as unnecessary.

(2013) Paragraph (a) was amended to reflect the Blue Book citation. Paragraph (b)(4) and (c) were added.

(2017) Paragraph (c) was revised to reflect Official Form changes to the captions of notices required to be sent by debtors and to remove references to exhibits to the local rules.

LOCAL RULE 1006-1: FEES- INSTALLMENT PAYMENTS

An application to pay filing fees in installments must be accompanied by a minimum payment established by the Court. The installment payments are equal to certain charges set by statute, rule, or other guideline and shall include the administrative fee, the trustee surcharge (if applicable), and a portion of the filing fee. The amount of the minimum payment shall be posted on the Court's [website](#) and in the Clerk's Office.

Notes:

(2008) Former paragraph (a) was restyled. Former paragraph (b) was deleted as unnecessary based upon the incorporation of the Interim Bankruptcy Rules into the Federal Rules of Bankruptcy Procedure.

LOCAL RULE 1007-1: LIST OF CREDITORS

The requirement of a list of creditors pursuant to Fed. R. Bankr. P. 1007(a) shall be met by the filing of a mailing matrix as provided herein. The debtor must file the mailing matrix with the petition.

It is not necessary to include the debtor, joint debtor, attorney for the debtor, case trustee, the United States trustee, or the judge assigned to the case on the matrix because these, where applicable, will automatically be added by the Court's Case Management/Electronic Case Filing ("CM/ECF") system.

It is the debtor's responsibility to verify and ensure that the information on the mailing matrix is identical to that on the schedules, statements, and lists. The debtor shall update the mailing matrix as needed throughout the pendency of the case.

Please see the Court's website for an updated [creditor address list](#) containing the preferred addresses of creditors.

Notes:

(2008) Portions of this rule were restyled and procedures to ensure the integrity of the mailing matrix were clarified.

(2013) Portions of this rule were revised to conform with inclusion of various operating orders in the local rules.

LOCAL RULE 1007-2: MAILING

- a. **Return Addressee.** The party delegated notice is designated as the return addressee for the notice delegated to the party. The debtor or, if applicable, the debtor's attorney is designated as the return addressee for the notice of the commencement of a case and meeting of creditors, any delegated notice, and any order confirming a plan (if the debtor is the plan proponent), dismissing a case, or discharging a debtor.
- b. **Duty to Provide Accurate Address.** The debtor or the debtor's attorney shall file and, if appropriate, docket¹ a statement providing the Court with a correct address of any creditor or party in interest whose address appears invalid or undeliverable based either on the debtor's receipt of returned mail or a notice filed by the Court's noticing agent. The statement shall specifically reference the former address of the creditor or party in interest to ensure proper modification of the list of creditors. If the debtor is unable to determine a correct address for a creditor or party in interest, the debtor shall file or docket a statement specifying the creditor's name and indicating that a correct address cannot be found. The Clerk of Court is authorized to remove a creditor or party in interest and the incorrect address from the list of creditors where the address fails to include all necessary information for delivery, the address results in returned mail, or the address is bypassed for mailing by the Bankruptcy Noticing Center.

Notes:

(2013) This new rule incorporates provisions found in former Operating Order 08-05.

(2021) Paragraph (b) was amended to allow the Clerk's Office to remove addresses that are deemed undeliverable by the Bankruptcy Noticing Center.

¹ The duty to docket applies to electronic filers.

LOCAL RULE 1007-3: LISTS, SCHEDULES, STATEMENTS, AND OTHER DOCUMENTS; TIME LIMITS

- a. **Schedules, Statements, and Other Documents Required.** Unless either: (A) § 707(b)(2)(D)(i) applies, or (B) § 707(b)(2)(D)(ii) applies and the exclusion from means testing granted therein extends beyond the period specified by Rule 1017(e), an individual debtor in a chapter 7 case shall file a statement of current monthly income prepared as prescribed by the appropriate Official Form, and, if the current monthly income exceeds the median family income for the applicable state and household size, the information, including calculations, required by § 707(b), prepared as prescribed by the appropriate Official Form.
- b. **Time Limits.** In a voluntary case, the schedules, statements, and other documents required by Fed. R. Bankr. P. 1007(b)(1), (4), (5), and (6) shall be filed with the petition or within 14 days thereafter, except as otherwise provided in Fed. R. Bankr. P. 1007(d), (e), (f), and (h), and subdivision (c) of this rule.
- c. **Time Limits for, and Notice to, Debtors Temporarily Excluded from Means Testing.**
 1. Within seven days of the petition date, a debtor, excluded from means testing pursuant to § 707(b)(2)(D)(ii) of the Code, shall file or docket a statement of temporary exclusion from means testing. If a debtor, excluded from means testing pursuant to § 707(b)(2)(D)(ii) of the Code, is released from active duty after the petition date and before the case is closed, the debtor shall file or docket a statement of release from active duty within seven days of being released from active duty.
 2. An individual debtor who is temporarily excluded from means testing pursuant to § 707(b)(2)(D)(ii) of the Code shall file any statement and calculations required by subdivision (b)(4) no later than 14 days after the expiration of the temporary exclusion if the expiration occurs within the time specified by Rule 1017(e) for filing a motion pursuant to § 707(b)(2).
 3. If the temporary exclusion from means testing under § 707(b)(2)(D)(ii) terminates due to the circumstances specified in subdivision (n)(2), and if the debtor has not previously filed a statement and calculations required by subdivision (b)(4), the clerk shall promptly notify the debtor that the required statement and calculations must be filed within the time specified in subdivision (n)(2).

Notes:

(2008) Part of this rule was added to the Local Rules December 19, 2008 and serves to implement the National Guard and Reservists Debt Relief Act of 2008. Subdivision (n)(1) was added to the model Interim Bankruptcy Rule and subdivisions (n)(1) and (n)(2) of the model Interim Bankruptcy Rule were renumbered as subdivisions (n)(2) and (n)(3)

(2020) Local Rule 1007-I was restyled as Local Rule 1007-3 and interim changes to Fed. R. Bankr. P. 1007(b)(5) and (h) were added to this rule from Local Rule 2081-3. These interim bankruptcy rules have been prepared by the Advisory Committee on Bankruptcy Rules and approved by the Judicial Conference of the United States to be adopted as local rules by the Bankruptcy Courts to implement the procedural and substantive changes to the Bankruptcy Code made by the Small Business Reorganization Act of 2019. The Interim Rules will be withdrawn after similar amendments can be made to the Rules of Bankruptcy Procedure under the normal Rules Enabling Act process.

(2022) The rule was restyled to keep portions of the interim changes that are not ripe to incorporate into Fed. R. Bankr. P. 1007.

LOCAL RULE 1009-1: AMENDMENTS OF VOLUNTARY PETITIONS, LISTS, SCHEDULES, AND STATEMENTS

- a. **Statement of Change.** In addition to the requirements under Fed. R. Bankr. P. 1009, when the debtor amends the petition, lists, schedules, or statements, the debtor must file with the Court and give notice of, to any party in interest affected by the amendment, a statement indicating the changes made by the amendment. The statement of change shall be the first page of the amendment filed.
- b. **Amendments Adding Creditors.** When the debtor adds a creditor by amending either the schedules or the list of creditors, or if the debtor initially files schedules that add creditors to the list filed with the petition, in addition to the requirements of subsection (a), the debtor also must update the mailing matrix for noticing purposes and simultaneously give notice to the added creditor of the following: (1) Notice of Bankruptcy Case; (2) Your Statement About Your Social Security Numbers; (3) the order granting discharge (if any); and (4) any other document filed in the case which affects the rights of the creditor.
- c. **Address Changes.** When the debtor seeks only to change an address on a petition or list, or is required to change an address as a result of returned mail, such change is not considered an amendment, and the requirements of subsection (a) are not applicable.

Notes:

(2008) Portions of former paragraph (c) were consolidated with paragraph (b). Former paragraph (d) was restyled as paragraph (c). Former paragraph (e) was deleted as unnecessary based upon the incorporation of the Interim Bankruptcy Rules into the Federal Rules of Bankruptcy Procedure.

(2015) The rule was amended to remove reference to the official form number for the statement of social security number and conform the names of official forms to the new form names.

LOCAL RULE 1015-1: JOINDER AND DIVISION OF CONSUMER CASES

- a. **Joinder of Spouse.** When a debtor has filed a petition under the Bankruptcy Code and subsequently the debtor's spouse seeks to join the case, the joining debtor must file a petition under the same chapter as the pending case and pay the appropriate fees. The petition shall be accompanied by all schedules, statements and lists required for that chapter. The joining debtor may then move for joint administration of the two cases.
- b. **Division of Joint Case.** When one debtor in a case commenced by the filing of a joint petition seeks to maintain a separate case, that debtor shall file a motion to divide the joint case and shall pay the applicable fee. The new case number shall be assigned to the case of the movant unless otherwise ordered by the Court.
 1. **Conversion.** If one of two joint debtors seeks conversion to a chapter other than that under which the joint case is pending, in addition to filing a motion to divide the joint case and paying the applicable fee, as provided in the preceding section, a motion to convert must be filed.
 2. **Dismissal of Debtor from a Joint Case.** When one debtor in a joint case seeks to be dismissed as a party, a motion to divide is not required.

Notes:

(2008) Portions of this rule were restyled. Former paragraph (b)(3) was deleted as unnecessary.

(2012) Technical amendments were made to paragraph (b) to refer to a motion to separate as a motion to divide pursuant to 28 U.S.C. § 1930.

(2013) The title of the rule was revised and technical amendments were made to paragraphs (a) and (b).

LOCAL RULE 1017-2: DISMISSAL OR SUSPENSION- CASE OR PROCEEDING

- a. The Court may enter an order dismissing a voluntary case upon the debtor failing to file or provide lists, schedules, statements, and other documents required pursuant to 11 U.S.C. 521, Fed. R. Bankr. P. 4002(b), or SC LBR 3015-4 within the time periods established therein or by Fed R. Bankr. P. 1007(c), 1019(1)(B), or other rule.
- b. The Court may enter an order dismissing or converting a chapter 13 case if confirmation of the plan is denied. If a chapter 11 plan is not confirmed or a disclosure statement is not approved by the Court, the case may be dismissed or converted without further notice or hearing if the plan proponent fails to file a new disclosure statement and plan, as applicable, within 14 days (or such other period as is ordered) after the hearing which resulted in denial of confirmation or not approving the disclosure statement.
- c. Any party filing a motion to dismiss or convert a case pursuant to 11 U.S.C. § 1112 shall either: (1) ensure that the Court has an available hearing date that both allows for applicable notice and falls within the time required by statute, the Federal Rules of Bankruptcy Procedure, and Local Rules or (2) specially request by separate emergency motion that such a hearing be scheduled. The absence of such a request or the movant's request for or consent to a continuance of the hearing shall be deemed a waiver of the scheduling and ruling deadlines imposed by the statute and the rules.

Notes:

(2018) The former rule was abrogated as a result of the holding in *No v. Gorman*, 891 F.3d 138 (4th Cir. 2018). Section (a) loosely follows former section (a) but no longer provides for dismissal without notice and hearing under the former certification for dismissal process. Section (b) permits dismissal for failure to confirm a chapter 13 or 11 plan or obtain approval of a chapter 11 disclosure statement, though again the former certification procedure is eliminated from the rule, and is loosely based upon former section (d). Section (c) retains the provision of former section (e).

(2022) Portions of Chambers Guidelines were moved to paragraph (c).

LOCAL RULE 1073-1: ASSIGNMENT OF CASES

- a. **Manual Assignment of Certain Cases.** The filing party shall not use the "Judge/Trustee Assignment" feature in CM/ECF in the following categories of cases:
 1. Any chapter 7 case that relates to a chapter 7, chapter 11, or chapter 12 case currently pending or that was pending within one year prior to the current case; or
 2. Cases under any chapter where there is a simultaneous case pending by the same debtor.
- b. **Certification Regarding Judge Assignment.** The filing party of any case described in paragraph (a) shall file a Certification Regarding Judge Assignment in CM/ECF simultaneous with the filing of the case. For any case described in paragraph (a), the Clerk of Court shall make the judge assignment, notify filing counsel of the assignment, and note the assignment on the docket in an expeditious fashion.
- c. **Effect of Common Assignment.** The common assignment of related cases shall not constitute consolidation or joint administration pursuant to Fed. R. Bankr. P. 1015 nor shall it constitute substantive consolidation. Such a determination shall be made only upon proper motion and notice.
- d. **Failure to Comply.** The Clerk of Court is authorized to reassign any case not in compliance with this rule.

Notes:

(2008) Portions of former SC LBR 2081-2 were revised and incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2010) This rule was amended to incorporate provisions of Operating Order 09-05 and other instances where the Judge/Trustee assignment is not used in the filing of a case. Exhibit A was replaced by the CM/ECF event "Certification Regarding Judge Assignment."

(2013) Former paragraphs (a)(1) through (6) were deleted as unnecessary. Paragraph (d) was revised to allow for the Clerk to reassign a case.

LOCAL RULE 2002-1: NOTICES

- a. **Duty of Certain Filers to Update Mailing Matrix.** Upon the filing of a proof of claim and/or notice of appearance by a CM/ECF user, the filing party shall add or substitute the address listed therein on the mailing matrix in CM/ECF for purposes of receiving further notices. Failure to comply shall be deemed a waiver of the right to receive notice.
- b. **Designation of Addresses.** A party in interest filing a notice of preferred address pursuant to 11 U.S.C. § 342(f) shall file the notice with the agency or agencies¹ that provide noticing services to the Court.² A party in interest who has filed an 11 U.S.C. § 342(f) notice of preferred address may, in a chapter 7 or 13 case, provide the Court with an 11 U.S.C. § 342(e) case specific address by filing a designation, which shall be in substantial conformance with the Court's [local form](#). Parties may rely on the address and the method of notice specified by the party in interest to the Court's noticing agency.
- c. **Delegation of Re-Noticing.** If noticing is delegated and the notice is returned as undeliverable,³ the party sending the notice or the debtor, if the matter is noticed by the Court, shall, re-notice the returned item upon the correction of the address, if known, or file a statement that notice was not provided to the particular party in interest.

Notes:

(2008) Portions of this rule were restyled. Former paragraph (c) was deleted as unnecessary based upon the incorporation of the Interim Bankruptcy Rules into the Federal Rules of Bankruptcy Procedure.

(2009) The period in Exhibit A was amended to a multiple of seven as part of time computation amendments.

(2013) Paragraphs (a) and (b) were restyled. Paragraph (b) was also amended to reference that a party in interest may advise the Court's noticing agency that it consents to a particular method of notice, such as electronic notice. Paragraph (c) was added to incorporate provisions found in former Operating Order 08-05.

(2017) Reference to rule exhibit was removed and the rule was amended to reference the local form.

¹ The Court's noticing agent is the Bankruptcy Noticing Center.

² Forms and registration information are available on the Court's website.

³ If the movant is a governmental unit or not otherwise a person as defined by 11 U.S.C. § 101(41), it may request that the Clerk of Court re-notice the document following the correction of the address.

LOCAL RULE 2014-1: EMPLOYMENT OF PROFESSIONALS

Upon entry of an order approving an application for employment, employment is effective from the date of the filing of the application, unless otherwise ordered by the Court.

Notes:

(2008) Reference was made to Fed. R. Bankr. P. 6003 to clarify that the orders on application for employment will be considered no earlier than 20 days following the petition date.

(2009) The comment period for the United States trustee was extended to 14 days.

(2013) The rule was reduced.

(2020) The rule was amended to remove reference to 11 U.S.C. § 327.

(2021) In a chapter 13 case, applications to employ counsel, appraisers, sales agents, and other agents hired by the debtor are not necessary. This note should not be interpreted to waive any disclosure requirements pursuant to 11 U.S.C. §§ 329 or 528.

LOCAL RULE 2015-3: UNIFORM PERIODIC REPORTS

- a. **Monthly Reports.** In accordance with 11 U.S.C. §§ 704(a)(8), 1107(a), and 1203, and Fed. R. Bankr. P. 2015, the debtor-in-possession or, if applicable, the trustee, shall file with the Court a financial report for the preceding month not later than the 21st day of each month. This report must conform to the format provided by the United States trustee.
- b. **Post-Confirmation Reports.** Following the entry of an order confirming a plan of reorganization, the debtor, reorganized debtor, trustee, and any other authorized party involved in implementing a confirmed plan shall continue to file periodic operating reports until such time as the case is closed by the Court. This report must conform to the format provided by the United States trustee.
- c. **Report of Substantial Consummation.** Within ninety (90) days after the date the order confirming plan of reorganization is entered, or whatever time period the Court or Bankruptcy Code may otherwise require, the debtor, trustee, or other plan proponent shall file a report of substantial consummation, a final report, and an application for a final decree. However, this section shall not apply to cases where the plan of reorganization for a small business debtor proceeding under subchapter V is confirmed pursuant to 11 U.S.C. § 1191(b) and the trustee makes payments to creditors under the plan pursuant to 11 U.S.C. § 1194(b).

Notes:

(2008) Portions of former SC LBR 2015-1 and 2081-1 were revised and incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2013) Technical amendments were made to paragraph (c) and some provisions of paragraph (c) were moved to 1017-2(a).

(2021) The rule was amended to update reporting requirements in chapter 11 cases. When required, the filing party shall submit Official Form B425C or United States Trustee Form UST-11 PCR and other applicable forms.

LOCAL RULE 2016-1: COMPENSATION OF PROFESSIONAL PERSONS

- a. **Chapter 11 Cases.** In a chapter 11 case, a professional paid a retainer shall maintain the retainer in a trust account and shall not draw on the retainer post-petition without approval of the Court. A trustee, examiner, attorney for the debtor, or any professional person employed under 11 U.S.C. §§ 327, 328, or 1103 may apply for allowance of compensation and reimbursement of expenses on or after thirty (30) days after the date of the order for relief. A second application may be made on or after sixty (60) days after the first application, and a third application may be made on or after ninety (90) days after the second application. After one hundred eighty (180) days following the date of the order for relief, applications may not be made more than once every one hundred twenty (120) days, unless the Court orders otherwise.
- b. **Chapter 13 Cases.**
 1. **Expedited Fee Approval Procedure.** An attorney representing a debtor in a chapter 13 case may obtain approval of attorney's fees without the filing of a formal fee application and a hearing when the attorney and the debtor(s) agree in writing that the fee for representation will be equal to or less than the amount set forth in Chambers Guidelines at the time of the filing of the case (collectively, the "Expedited Fee Amount").¹ Unless the Court orders otherwise, the Expedited Fee Amount is deemed an allowed administrative claim under 11 U.S.C. § 503(b)(2). The amount may be claimed by the attorney's filing of the Attorney Fee Disclosure Statement pursuant to Fed. R. Bankr. P. 2016(b) (Director's Bankruptcy Form B2030). The B2030 Form shall clearly indicate the fee agreed upon, the amount paid to date, and the amount to be paid through the chapter 13 plan, and shall define any charges or potential charges for supplemental fees described in paragraph (b)(2). Counsel must include as an attachment to the B2030 Form, a copy of counsel's signed representation agreement with the debtor(s).
 2. **Statement of Supplemental Fees.** Any supplemental compensation must be disclosed, whether that amount will be paid through disbursements by the Trustee or paid directly by the debtor(s). This disclosure may be accomplished through amendment of the B2030 Form or the filing of the Statement of Supplemental Fees. If expressly authorized by a conspicuous provision of a written fee agreement filed with the B2030 Form, the debtor(s) and attorney may agree to the attorney's supplemental compensation for additional work necessary as a result of any matters involving the default under or variance from the terms of the confirmed plan, adversary proceedings, appeals, or other complicating factors not present in the typical chapter 13 case. A supplemental fee may be asserted by utilizing the "Statement of Supplemental Chapter 13 Attorney Fees" event in CM/ECF ("Statement"). The description of services provided in the Statement associated with the request shall contain sufficient information to determine whether the supplemental fee charged is fair and reasonable. The Statement may be used for the disclosure of any supplemental compensation that will be paid through disbursements by the Trustee or paid directly by the debtor(s). All supplemental fees approved for disbursement by the Trustee or approved as a direct payment by the debtor(s) remain subject to the Court's consideration of the fee under 11 U.S.C. § 329(b) at any time prior to the closing of the case.

3. **Formal Application for Compensation.** In lieu of paragraph (b)(1) and (b)(2), the attorney may apply for compensation pursuant to Fed. R. Bankr. Thereafter, disbursements by the Trustee will be made after receipt and posting of payments from the debtor, but no disbursements will be made until the Trustee can ensure funds are available. All disbursements will be made in accordance with the Trustee's established office policies and procedures and, therefore, may not coincide with the payment due date set forth in the agreement or documents governing the loan terms between the debtor and mortgage creditor. Any hearing on the matter shall be attended by a representative of the mortgage creditor sufficiently knowledgeable to testify about the specific amounts due, and counsel for the mortgage creditor.
 - c. **Notice of Payment Change.** No Notice of Payment Change filed by the mortgage creditor pursuant to Bankruptcy Rule 3002.1 is effective to change the amount of the Mortgage Payment paid through a Conduit Plan unless and until a Compliant Proof of Claim is filed. Mortgage creditors shall file and serve a Notice of Mortgage Payment Change in accordance with the applicable Official Form, within the deadline and in compliance with the service requirements set forth in Bankruptcy Rule 3002.1(b), to reflect any changes in the monthly mortgage payments or escrow amounts that occur during the term of the plan.
- C. **Plan Not Confirmed.** See SC LBR 3070-1 and Local Forms [\(Consent Allowing Payment of Funds to Creditor\(s\) and Debtor\(s\) Attorney](#) and [Order Allowing Payment of Funds to Creditor\(s\) and Debtor\(s\) Attorney](#)).

3. DUTIES OF MORTGAGE CREDITORS

- A. **Post-Petition Charges.** Regardless of the disbursement date of the Mortgage Payment paid through a Conduit Plan, the mortgage creditor shall not: (1) declare the loan in default; (2) impose any Post-Petition Charges incurred on account of any delay in the mortgage creditor’s receipt of any payment paid pursuant to the Conduit Plan; or (3) seek to recover or assess late fees or penalties incurred on account of any delay in the mortgage creditor’s receipt of any payment paid pursuant to the Conduit Plan. The debtor should timely review all 3002.1(c) Notices. If the debtor advises the Trustee of an agreement to pay the Post-Petition Charges or fails to file a timely objection to the 3002.1(c) Notice, the Trustee may pay the Post-Petition Charges. The debtor’s advice to the Trustee of an agreement to pay or the debtor’s failure to timely object will be deemed a waiver of any claim against the Trustee for payment of the Post-Petition Charges.
- B. **Change by Mortgage Creditor of Name, Address, Servicer, or Trustee, or Transfer or Sale of Loan Documents.** For the purpose of disbursing payments, the Trustee will not acknowledge any change of the name or address of the mortgage creditor or any transfer or assignment of claim until a reasonable time after the filing of a notice that complies with Bankruptcy Rule 3001(e) and/or other applicable Rules.
- C. **Notices of Mortgage Servicing Transfers.** Notices pursuant to 12 CFR § 1024.33 (“hello” and “goodbye” letters) shall be provided to the Trustee within the deadlines provided in that authority, as may be amended from time to time, by the filing of the notice with the bankruptcy court with privacy information redacted. The Trustee may then hold disbursements pending compliance with SC LBR 3015-1(b)(3)(B).

Notes:

(2008) Former SC LBR 3015-1 was revised and restyled. Portions of former SC LBR 3015-1 were incorporated into other local rules pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2009) The objection period in Exhibit A was amended to a multiple of seven as part of time computation amendments.

(2011) Section IV(A) in Exhibit A was amended to allow attorneys to receive up to \$1,000 from the initial disbursement. The certificate of service section in Exhibit A was amended to clarify that the specific list of the names and addresses of parties served with the plan should be attached to the plan filed with the Court. Sections II(A) and (B) were amended to clarify that a debtor does not have to claim an exemption to avoid a lien.

(2013) The rule was amended to require a statement where the debtor proposes changes that differ from Exhibit A. Section II(B) of Exhibit A was amended to conform with amendments made to the exhibits of SC LBR 4003-2. Section (I)(B) of Exhibit A was amended to clarify that the deadline to object runs from the date of the service of the plan.

(2017) The rule was amended to require use of the District's form plan and to remove reference to Fed. R. Bankr. P. 2002(b) regarding service of the plan. The rule was also amended to remove reference to the local rule exhibit.

(2022) Paragraph (b) was added to incorporate former Operating Order 22-03.

LOCAL RULE 3015-2: MODIFICATIONS TO CHAPTER 13 PLAN

- a. **Before confirmation.** The debtor must complete, serve, and file with the Court the [local form plan](#) required by [SC LBR 3015-1](#) with the boxes checked indicating a pre-confirmation modification and, if necessary, the [local form Notice of Confirmation Hearing](#).
- b. **After confirmation.** The debtor must complete, serve, and file with the Court a motion in substantial conformance with the Court's [local form](#), along with the [local form plan](#) required by [SC LBR 3015-1](#) with the boxes checked indicating a post-confirmation modification. Service may be made only on parties who may be, or are, adversely affected by the modification.
- c. **Exceptions for certain plan payment increases.** Plan payments may be increased for the purpose of providing adequate funding of a proposed plan or a confirmed plan upon the filing of a stipulation of the debtor and trustee without otherwise modifying such proposed or confirmed plan. Plan payments may also be increased upon the Trustee's Notice of Plan Payment Change in a conduit mortgage payment plan. Such change in plan payment may decrease the dividend to general unsecured creditors unless the debtor is required to pay a specific dividend to general unsecured creditors under 11 U.S.C. § 1325(a) or (b), in which instance a modified plan must be proposed.

Notes:

(2008) Portions of former SC LBR 3015-1 were incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2009) The objection period in Exhibit B was amended to a multiple of seven as part of time computation amendments.

(2013) Exhibit B was amended to clarify that the deadline to object runs from the date of service and to provide language consistent with Exhibit A to SC LBR 3015-1 regarding additions, modifications, and deletions to the form plan.

(2016) Paragraph (c) was amended to clarify which parties must be served when a proposed plan is filed after confirmation. The provision requiring a coversheet when substantial changes are proposed to Exhibit A to SC LBR 3015-1 was removed as unnecessary because SC LBR 3015-1 already requires a cover sheet.

(2017) The rule and exhibits were substantially revised to bring them in compliance with Federal Rules of Bankruptcy Procedure 2002(a)(5) and (b), which require notice and service on all parties of any pre-confirmation modification to a chapter 13 plan, and Federal Rule of Bankruptcy Procedure 3015(g), which requires at least 21 days' notice and service on all adversely affected parties of any post-confirmation modifications. Paragraph (a) was amended to remove reference to Fed. R. Bankr. P. 2002(a)(5) and 2002(b) regarding service. Paragraphs (b) and (d)(1), regarding base plan amendments, were removed. Paragraph (d)(2), regarding plan payment increases, was moved to Paragraph (c) and revised to add language allowing plan payment increases to be by stipulation. Paragraph (c) was moved to Paragraph (b) and revised to require a motion for post-confirmation modifications.

LOCAL RULE 3015-3: CHAPTER 13 CONFIRMATION HEARINGS - CONFIRMATION AND DENIAL OF CONFIRMATION

The Court, following commencement of a chapter 13 case, will schedule confirmation hearing(s) and provide notice to parties in interest of the time to object to plans. If no timely objections to a plan or pre-confirmation modified plan are filed or if all such objections are resolved, the Court, without conducting a hearing, may enter an order confirming the plan and granting the relief sought in any motions included therein.

If confirmation of the chapter 13 plan is denied, the Court may enter an order requiring a new or modified plan or an order dismissing or converting the case without further notice or hearing.

Notes:

(2008) Portions of former SC LBR 3015-1 were incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2013) A technical amendment was made to paragraph (a) to clarify that the domestic support obligation recipient should be served with a copy of Exhibit A.

(2015) Paragraph (a) was amended to require the debtor to serve Exhibit A on any public/governmental agency charged with collecting the domestic support obligation and Exhibit A was updated. The rule and the form now track the language of the statute and the scope is more narrow than the previous version of the rule and form.

(2017) The rule was amended to provide that the court will schedule confirmation hearings and provide notice of opportunities to object. Language regarding domestic support obligations was removed.

LOCAL RULE 3015-6: PERIODIC INTEREST RATE IN CHAPTER 13 PLANS

- a. **Presumption of Reasonableness.** In order to expedite the determination of an effective interest rate to be used by debtors in meeting the requirement of 11 U.S.C. § 1325, a presumed effective interest rate (Periodic Interest Rate) will be set by the Court with the assistance of a committee of trustees and members of the consumer bar. If applied to a secured claim in a chapter 13 plan, there will be a rebuttable presumption that the Periodic Interest Rate, for plan confirmation purposes, is reasonable.
- b. **Presumption that Plan Pays Present Value.** A debtor who, in a chapter 13 plan, proposes to pay the Periodic Interest Rate on a secured claim (including, but not limited to, an arrearage on a real estate mortgage loan, an automobile loan, a mobile home loan, or a personal property loan) is presumed to be paying the present value of that claim as required by 11 U.S.C. § 1325(a)(5)(B)(ii), except as provided in subsection (c) below.
- c. **Objection to Periodic Interest Rate.** A party in interest objecting to the interest rate proposed in a chapter 13 plan or modified plan must do so before expiration of the deadline for objecting to the plan or modified plan in which the interest rate is first proposed.
 1. **File the Objection.** File with the Court an Objection and Certification of Interest Rate in substantial conformance with the Court's [local form](#), thereby indicating the objection and stating the interest rate to which the party in interest claims entitlement, and
 2. **Serve the Objection.** Serve the Objection and Certification of Interest Rate on the debtor, the attorney for the debtor, and the chapter 13 trustee.
 3. **Hearing on Objection.** The Objection and Certification of Interest Rate will be considered at the confirmation hearing on the chapter 13 plan.

Notes:

(2008) Portions of former SC LBR 3015-3 were incorporated into this rule.

(2009) The deadlines in paragraphs (c) and (d) and Exhibit A were amended to multiples of seven as part of time computation amendments.

(2013) Paragraph (c) was amended to clarify that the deadline to object runs from the date of service of the plan.

(2017) Paragraph (c) was amended to provide that an objection to the interest rate proposed in the plan must be filed before the expiration of the deadline for objecting to the plan in which that interest rate is first proposed. Paragraph (d) was removed.

LOCAL RULE 3015-7: DOMESTIC SUPPORT OBLIGATION CERTIFICATION IN CHAPTER 13 CASES

As a condition of confirmation and at any time thereafter upon request of the trustee, a form in substantial conformance with the Court's [local form](#) shall be completed and submitted by the debtor to the chapter 13 trustee (but not filed with the court) and served upon the domestic support obligation recipient and any public/governmental agency which is charged with collecting the domestic support obligation, together with the certificate of service provided to the chapter 13 trustee.

Notes:

(2017) This rule was formerly contained in SC LBR 3015-3.

LOCAL RULE 3015-8: CHAPTER 13 POST CONFIRMATION TRANSACTIONS

In addition to any other authority granted to the debtor(s), and notwithstanding any plan provision or order confirming a plan, the debtor(s) may, without court or trustee approval:

1. acquire assets;
2. obtain credit;
3. use cash collateral or insurance proceeds derived from a casualty to property of the debtor or the estate, paying any lienholder to the extent of any lien; and
4. settle or compromise matters not pending before the bankruptcy court in which the debtor(s) is a litigant or beneficiary.

If not otherwise reportable under any other Bankruptcy Code section or Rule, the debtor(s) shall file a report within 10 days of any of the above events, in substantial conformance with the [local form](#), when the event(s) alters by a net value of \$25,000 or greater either the net value of the total property or the total debt of the debtor(s) or the estate, or when the event(s) impacts a claim paid by the trustee under a confirmed plan.

Notes:

(2019) This rule is new.

(2021) The rule was substantially revised.

LOCAL RULE 3016-1: CHAPTER 11 PLAN AND DISCLOSURE STATEMENT

- a. **Deadline.** Except in a statutorily defined small business case, a case under subchapter V of Chapter 11, or unless otherwise ordered by the Court, a disclosure statement and plan of reorganization shall be filed by the debtor or trustee not later than one hundred eighty (180) days after the entry of the order for relief. The debtor, trustee, or other plan proponent shall prosecute its disclosure statement and plan in a timely manner.
- b. **Modifications.** At the hearing on the disclosure statement or plan, the Court may consider for approval written modifications made prior to the hearing. Except in a statutorily defined small business case or a case under subchapter V of Chapter 11 where the appropriate Official Form plan is filed, to the extent a modification to the disclosure statement or plan is filed with the Court modifying the previously filed document, the proposing party shall file on the docket both a clean and “redlined” version of the modified document providing a comparison of the document reflecting any changes (*i.e.*, added language can be in bold, while deleted language can be reflected as being struck through). To the extent service of the modified document is required by the Bankruptcy Code, Federal Rules of Bankruptcy Procedures, or Local Rules, the redlined version should only be filed on the docket but not served.
- c. **Denial of Confirmation.** If any plan of reorganization or disclosure statement filed by the debtor, trustee, or other plan proponent is not confirmed or approved by the Court, any amendment, modification, or supplement necessary to correct the deficiency must be filed within fourteen (14) days after the confirmation hearing or whatever time period the Court may require.

Notes:

(2008) Portions of former SC LBR 2081-1 were incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2012) A footnote was added to paragraph (a) to clarify the deadline in small business cases.

(2013) Technical amendments were made to paragraphs (a), (b), and (c) and the title of the rule was amended. The footnote regarding small business cases was moved to the body of paragraph (a).

(2022) Paragraph (a) clarifies that this rule does not apply to cases under subchapter V of Chapter 11 and portions of Chambers Guidelines were moved to this paragraph (b).

LOCAL RULE 3018-1: BALLOTS IN CHAPTER 11 CASES

- a. **Ballot Tally.** At least seven (7) days prior to the hearing on confirmation of a chapter 11 plan, the plan proponent shall file with the Court a ballot tally of the votes cast for and against the plan, and shall certify to the Court in writing the amount and number of allowed claims or allowed interests of each class accepting or rejecting the plan. The ballot tally shall include a ballot report containing:
 1. An identification of each class and whether or not it is impaired;
 2. For each impaired class, the number of ballots received, the number of ballots voting to accept, and their aggregate dollar amount;
 3. A concluding paragraph indicating whether the plan has received sufficient acceptance to be confirmed;
 4. Copies of all ballots not counted for any reason and a statement why the same were not counted; and
 5. A representation that all ballots were counted for the classes for which those ballots were filed except for ballots appended to the report.
- b. **Defective Ballots.** The Court may refuse to recognize, in connection with the confirmation of a plan, a timely filed ballot which is not signed, which does not clearly indicate acceptance or rejection of the plan, or which does not clearly indicate its inclusion in a specific class of claims or interests under the plan.
- c. **Extension.** Upon motion at the confirmation hearing, the Court may extend the time for balloting and/or may permit the modification or withdrawal of ballots.

Notes:

(2009) The ballot period was amended to a multiple of seven as part of time computation amendments.

(2013) The requirement to serve the ballot tally and certification was removed and the rule was reorganized into paragraphs.

LOCAL RULE 3070-1: CHAPTER 13- PAYMENTS

- a. Following confirmation of a plan, all funds in possession of the chapter 13 trustee shall be disbursed pursuant to the terms of the confirmed plan. Unless the Court orders otherwise, creditors shall receive adequate protection as required by 11 U.S.C. § 1326(a) from the plan and the provisions set forth below.
- b. Upon the dismissal of a case, the chapter 13 trustee shall, after first paying the balance of any sanctions as directed by the Court, dispose of funds in the following manner, unless otherwise ordered by the Court:
 1. If there is a confirmed plan in the case, the chapter 13 trustee shall pay any funds received before the dismissal of the case to creditors according to the terms of the plan. All funds received thereafter shall be paid to the debtor.
 2. If there is neither a confirmed plan nor an order directing otherwise, funds received prior to entry of an order of dismissal shall be disbursed as follows:
 - A. First, in a conduit case, the applicable mortgage creditor(s) shall be paid a mortgage payment for each full monthly payment received from the debtor as a conduit payment. No payment shall be made for partial payments received from the debtor, and no payment shall be made unless a compliant Proof of Claim has been filed on behalf of the mortgage creditor(s);
 - B. Second, the trustee shall disburse to the debtor's attorney the lesser of the remaining amount due to debtor's attorney, or the remaining balance of funds received by the chapter 13 trustee prior to dismissal;
 - C. Third, as adequate protection required by 11 U.S.C. § 1326(a), the trustee shall disburse payments to holders of allowed claims secured by personal property and allowed claims for executory contracts that are proposed to be paid through the most recently filed plan, divided based upon the monthly payments provided therein. Subject to the availability of funds, these creditors will be paid a full payment for each full month beginning thirty (30) days after the order for relief and continuing through the date of dismissal. No payment will be made for partial months; and
 - D. Any funds remaining after these payments, and all funds received after dismissal, shall be returned to the debtor unless there is a pending Motion to Reconsider Dismissal.
 3. Notwithstanding any other provision of this Rule, after dismissal of a conduit case, if a mortgage creditor returns to the chapter 13 trustee any funds disbursed to it by the trustee under the terms of the conduit plan, the chapter 13 trustee shall return those funds to the debtor.
- c. Unless ordered by the court or the debtor consents otherwise, upon the conversion of a case, the chapter 13 trustee shall return all funds on hand, and all funds received after conversion, to the debtor.

Notes:

(2008) Portions of former SC LBR 1019-1 and 3015-1 were incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions.

(2015) Paragraphs (b) and (c) were amended to conform to the holding in Harris v. Viegelahn, 135 S. Ct. 1829, 191 L. Ed. 2d 783 (2015).

(2016) Stylistic changes were made to paragraph (b)(1). Paragraphs (b)(2)(A), (B), and (C) were revised to address conduit plan cases and simplify the attorney fee provision.

(2021) Paragraph (b)(3) was added.

LOCAL RULE 4001-1: MOTIONS REGARDING THE AUTOMATIC STAY

The scheduling of motions regarding the automatic stay are governed by [SC LBR 9013-4](#). In addition to the requirements of that rule and in lieu of the forms of that rule, the provisions and forms of this rule apply.

a. **Motions for Relief from the Automatic Stay Pursuant to 11 U.S.C. § 362(a).**

1. **Service and Transmittal of the Motion.** The movant shall serve and file:
 - A. The motion;
 - B. The notice of hearing on the motion in substantial conformance with the [local form notice](#);¹
 - C. The movant's completed certification of facts in substantial conformance with the [local form certification](#); and
 - D. A blank certification of facts form (applicable to service on *pro se* parties only).
2. **Objections.** Any party objecting to the relief sought in the motion shall, within fourteen (14) days after service thereof, serve upon the movant and other appropriate parties and file with the Court an objection to the motion and its responding certification of facts. Failure to complete, serve, and file a responding certification of facts, or to complete fully the certification of facts shall be deemed an agreement to the terms contained in the movant's certification.
3. **Default on Motion.** If no objection is filed and served upon the movant within fourteen (14) days after the service of items in subparagraph (a)(1), the movant shall submit a proposed order reciting the absence of objections and granting the relief sought.
4. **Settlement.**
 - A. **Consent.** Any settlement of a motion to modify the automatic stay, where the trustee, if any, is not a party to the settlement, must indicate that the trustee did not object to the relief requested.
 - B. **Settlement Default.** If a prior settlement order provided for *ex parte* relief from the automatic stay, the attorney for the movant of the original motion may submit a certification of the debtor's noncompliance and a proposed order granting the relief sought. Any proposed order shall specifically state the details of the default, including the specific time period for which payments were not made. Modification of the stay is effective only upon entry of the order.
5. **Resumption of Payments.** Absent grounds under Fed. R. Civ. P. 59(e) or 60, the Court will not rescind an order granting stay relief based solely on an agreement of the parties. However, in chapter 13 cases, upon agreement of the parties and the consent of the trustee, the Court may enter an [order allowing the resumption of payments](#) by a trustee on a claim for arrearage on a long-term debt. Any order to this effect must provide (i) that the chapter 13 trustee shall resume payments to the holder of the claim pursuant to the chapter 13 plan and (ii) that upon the future failure by debtor to pay according to the agreement between the debtor and creditor, the creditor may continue collection actions under non-bankruptcy law without further order. The Court will not normally consider more than one such order relating to the same claim during the pendency of the

case.

6. **Motion to Approve an Agreement Regarding the Stay.** Any motion for the approval of an agreement pursuant to Fed. R. Bankr. P. 4001(d) should be prepared using a form in substantial conformance with the [local form](#) approved by the Court.
 7. **Automatic Lifting of the Stay.** A movant waives the automatic lifting of the stay pursuant to 11 U.S.C. § 362(e) if the movant schedules a hearing more than thirty (30) days after the filing of a motion for relief; requests a continuance on the motion; or consents to a continuance on the motion.
 8. **General Matters.** Neither consent/settlement orders nor default orders should contain provisions which attempt to make the order binding upon a trustee or creditors in the event of the conversion of the case to another chapter or provisions which purport to limit the effect of the automatic stay in the event of a dismissal and refiling of the case. Such provisions require a showing of cause before the Court after a hearing.
- b. **Motions to Extend or Impose the Automatic Stay.** All motions pursuant to 11 U.S.C. § 362(c) must clearly set forth specific and detailed grounds in support of the motion and be scheduled by the movant within thirty (30) days following the filing of the case. The movant shall serve on all creditors sought to be stayed, the United States trustee, and any trustee serving in the case, and shall file with the Court:
1. The 11 U.S.C. § 362(c) motion, accompanied by an affidavit or declaration consistent with 28 U.S.C. § 1746 of the movant in support of the motion; and
 2. The notice of hearing on the motion in substantial conformance with the [local form notice](#).
- c. **Motion for an Order Confirming Termination of the Automatic Stay Pursuant to 11 U.S.C. §§ 362(h), 362(j), and 521(a)(6).** A motion for an order confirming termination of the automatic stay shall specifically recite facts and the applicable statutory authority upon which the stay has been terminated and may be considered on an *ex parte* basis.

(2012) A technical change was made to the title of the rule to broadly refer to all motion types contained in the rule.

(2013) A technical change was made to paragraph (a)(1)(B) to provide that motions may be scheduled in other divisions if necessary.

(2013) Exhibit C was added and the rule was substantially re-drafted to include Chambers Guidelines and reduce language already contained in SC LBR 9013-4 and 9014-1.

(2017) Reference to rule exhibits were removed and the rule was amended to reference local forms.

(2022) Removed footnote 1 indicating that Chambers Guidelines must be considered in connection with the Local Rules because judges may have differing procedures or requirements.

LOCAL RULE 4001-4: AGREEMENTS RELATING TO RELIEF FROM THE AUTOMATIC STAY,
PROHIBITING OR CONDITIONING THE USE, SALE OR LEASE OF PROPERTY, PROVIDING ADEQUATE
PROTECTION, USE OF CASH COLLATERAL, AND OBTAINING CREDIT

- a. **Form of Motion.** A motion for the approval of an agreement pursuant to Fed. R. Bankr. P. 4001(d) shall be in substantial conformance with the Court's [local form](#).
- b. **Guidelines for 4001(d) Notices and Orders.** All notices, proposed consent orders, or applications for approval of Fed. R. Bankr. P. 4001 agreements must recite whether the notice, proposed order, or stipulation contains any provision that the Court does not normally approve and should identify any such provision and explain the justification for the provision. If such an order or stipulation is presented in connection with a hearing, counsel shall call the Court's attention to such provision on the record.
 1. The following will not normally be approved:
 - A. Provisions or findings of fact that bind the estate or parties in interest with respect to the validity, perfection, or amount of the secured party's lien or debt;
 - B. Provisions or findings of fact that bind the estate or parties in interest with respect to the relative priorities of the secured party's lien and liens held by persons who are not parties to the stipulation. (This would include, for example, an order approving a stipulation providing that the secured party's lien is a first priority lien);
 - C. Waivers of 11 U.S.C. § 506(c), unless the waiver is effective only during the period in which the debtor is authorized to use cash collateral or borrow funds;
 - D. Provisions that operate, as a practical matter, to divest the debtor in possession of any discretion in the formulation of a plan or administration of the estate or limit access to the Court to seek any relief under other applicable provisions of law;
 - E. Cross-collateralization clauses, i.e., clauses that secure pre-petition debt by post-petition assets in which the secured party would not otherwise have a security interest by virtue of its pre-petition security agreement;
 - F. Rollup clauses, i.e., clauses that include the application of proceeds of post-petition financing to pay, in whole or in part, pre-petition debt;
 - G. Releases of liability for the creditor's alleged pre-petition torts or breaches of contract;
 - H. Waivers, assignment, transfer, or encumbrance of avoidance actions arising under the Bankruptcy Code;
 - I. Immediate entitlement to relief from the automatic stay upon default, conversion of the case, or appointment of a trustee, absent further order;
 - J. Waivers of the procedural requirements for foreclosure mandated under applicable non-bankruptcy law;
 - K. Adequate protection provisions that create liens on claims for relief arising under the Bankruptcy Code;
 - L. Findings of fact on matters extraneous to the approval process. (For example, in connection with an application to borrow on a secured basis, a finding that the debtor cannot obtain unsecured credit would be acceptable, whereas a finding that the lender acted in good faith in declaring the pre-petition loan in default would not be

acceptable. Do not include long histories of the relationship between the parties or a lengthy recitation or detailing of documents. A finding that notice is proper should be replaced by a provision which states that notice has been given according to the certificate of service filed by the movant);

- M. Provisions which merely recite the Bankruptcy Code. (For example, a provision that in the event the adequate protection provided by the debtor is insufficient that the creditor is entitled to an administrative priority claim is unnecessary since that is the effect of § 507(b));
- N. Any provision which purports to bind a later appointed trustee to the agreement of the debtor;
- O. Provisions which prohibit or restrict the Court's ability to vacate, modify, or stay the effect of a consent order or which provide for conditional approval by the Court before notice and an opportunity for hearing or provisions in which the Court independently finds all of the terms of the agreement to be fair and reasonable, for such provisions presume a detailed determination which may not have been undertaken; or
- P. Waivers that divest the Court of its power or discretion in a material way, or interfere with the exercise of the fiduciary duties of the debtor or unsecured creditor's committee in connection with the operation of the business, administration of the estate, or the formulation of a reorganization plan, such as provisions that deprive the debtor or unsecured creditors committee of the ability to file a request for relief with the Court, to grant a junior post-petition lien, or to obtain future use of cash collateral.

2. Provisions that will normally be approved:

- A. Withdrawal of consent to use cash collateral or termination of further financing, upon occurrence of a default or conversion to chapter 7;
- B. Securing any post-petition diminution in the value of the secured party's collateral with a lien on post-petition collateral of the same type as the secured party had pre-petition, if such lien is subordinated to the compensation and expense reimbursement (excluding professional fees) allowed to any trustee thereafter appointed in the case;
- C. Securing new advances or value diminution with a lien on other assets of the estate, but only if the lien is subordinated to all the expenses of administration (including professional fees) of a superseding chapter 7 case;
- D. Reservations of rights under Bankruptcy Code § 507(b), unless the stipulation calls for modification of the Bankruptcy Codes priorities in the event of a conversion to chapter 7;
- E. Reasonable reporting requirements, including access to books and records;
- F. Reasonable access for inspection of collateral, including access for purposes of appraisal and environmental impact studies;
- G. Requirement to segregate cash collateral and the use of lockbox agreements;
- H. Reasonable reporting and controls regarding compliance with any budget approved by the Court, including provisions that material deviations from the budget constitute a default under the consent order or stipulation;
- I. Provisions requiring proof of insurance;

- J. Provisions providing a reasonable carve out for professional fees and costs;
 - K. Default provisions which state that in the event of a default by the debtor or trustee (if applicable) under the provisions of the order or stipulation, the creditor may have its attorney file an affidavit or declaration consistent with 28 U.S.C. § 1746 attesting to the default, and the creditor thereby will be entitled to relief from the automatic stay without further notice or hearing upon entry of an order by the Court.
- c. **Procedure Upon Default.** In the event a party seeks relief upon default under an order, settlement, or agreement covered by Fed. R. Bankr. P. 4001(d), the attorney for that party shall file with the Court a certification of noncompliance, affidavit or declaration consistent with 28 U.S.C. § 1746 attesting to default which specifies the grounds and a proposed order granting the relief sought. The requested relief, including any modification of the stay, is effective only upon entry of the order by the Court.

Notes:

(2008) Portions of this rule were restyled.

(2010) The objection period for agreements related to relief from the automatic stay was amended in Exhibit A to a multiple of seven as part of time computation amendments.

(2014) The requirement that a proposed order recite whether it contains a provision the court does not normally approve (see LR 4001-4(b)(1) for the list) does not suggest that the proposed order contain a finding by the court that the order contains no such provision, rather it mandates a representation by counsel that the order does not contain such a provision. So, for example, the proposed order might state - "Counsel has represented to the court that the order does not contain a provision that the court does not usually approve . . ."

(2017) Reference to rule exhibit was removed and the rule was amended to reference the local form.

LOCAL RULE 4001-5: RENTAL DEPOSITS

- b. A copy of the applicable judgment for possession.

Notes:

(2008) Former paragraph (b) was deleted as unnecessary and other portions of this rule were restyled.

A debtor that is claiming property as exempt pursuant to S.C. Code Ann. § 15-41-30(A)(7) shall specify which unused exemption is the basis for the wildcard claim.¹

Notes:

(2008) This rule is new.

¹ Example: (A)(7) in the amount of \$ X .00 of unused Motor Vehicle Exemption.

LOCAL RULE 4003-2: LIEN AVOIDANCE

- a. **Chapter 7 and 11 Cases.** In a chapter 7 or 11 case, a debtor seeking to avoid a lien pursuant to 11 U.S.C. § 522(f) shall use the passive notice procedure prescribed by [SC LBR 9013-4](#) and must file with the Court simultaneously:
1. A hearing notice (See the Court's [local form notice](#));
 2. The lien avoidance motion (See the Court's local form motions);¹ and
 3. A proposed order (See the Court's local form orders).²
- b. **Filing of Motions Following Closure of Case.** Unless otherwise ordered, following discharge and the closure of a case, a lien may be avoided pursuant to 11 U.S.C. § 522(f) and amended schedules may be filed in relation thereto without reopening the case pursuant to 11 U.S.C. § 350.

Notes:

(2008) Portions of former SC LBR 4003-1 were incorporated into this rule pursuant to Fed. R. Bankr. P. 9029(a) and the Judicial Conference's prescribed numbering conventions. Former paragraphs (b)(3), (d), and (e) were deleted as unnecessary. Former paragraph (f) was deleted as unnecessary based upon the incorporation of the Interim Bankruptcy Rules into the Federal Rules of Bankruptcy Procedure.

(2011) Exhibits A, B, C, D, and E were amended to clarify that a debtor does not have to claim an exemption to avoid a lien.

(2012) A technical amendment was made to the exhibits to remove the judge's signature line, which is unnecessary for electronically signed orders.

(2013) Technical and clarifying amendments were made to Exhibits A, B, C, and D. Former paragraph (a) was deleted and new paragraph (b) was added. The hanging paragraph of (a)(2) was deleted and moved to 1001-1(c).

(2017) Former paragraph (b) and reference to chapter 12 in the Rule and the local forms were removed since motions seeking an order declaring that a lien has been satisfied in a chapter 12 or 13 case are governed by Fed. R. Bankr. P. 5009(d). The exhibits were removed from the rule and added to the local forms.

- c. **Discharge Prior to the Completion of Plan Payments Pursuant to 11 U.S.C. § 1141(d)(5)(B).** An individual debtor seeking a discharge following confirmation but prior to the completion of plan payments shall file a motion requesting discharge and serve the motion on all creditors and the United States trustee. The Motion shall state whether the requirements of 11 U.S.C. § 1141(d)(5)(B) have been met; whether 11 U.S.C. § 1141(d)(3) is applicable, and whether the debtor is required to file the statements set forth in Fed. Notes:

(2020) This rule is new.

LOCAL RULE 4008-1: REAFFIRMATION AGREEMENTS

A [reaffirmation agreement](#) or, for a debtor appearing *pro se*, a [motion for approval of a reaffirmation agreement](#), must be filed using the appropriate Administrative Office for United States Courts [Director's Form](#).

Notes:

(2008) Former paragraph (a) was restyled. Former paragraph (b) was deleted as unnecessary based upon the incorporation of the Interim Bankruptcy Rules into the Federal Rules of Bankruptcy Procedure. Exhibit A was amended to require disclosure of when the agreement was filed and signed in relation to the 341 hearing. Part D of Exhibit A was amended to require an explanation of any difference between the income and expenses disclosed in Schedules I and J and that disclosed in Part D.

(2015) The rule was amended to remove reference to a specific form number.

LOCAL RULE 5005-4: ELECTRONIC FILING

- a. **Record of the Court.** All pending, reopened, and newly filed cases and proceedings in the Court shall be assigned to the Case Management/Electronic Case Filing system (CM/ECF). The docket of the cases and proceedings shall be available electronically. The electronic record is the official record of this Court. The Court's electronic records are available for public access (view only) at pacer.uscourts.gov. Except as provided, all documents, including proofs of claim, shall be electronically submitted by utilizing the [CM/ECF system](#) or the Court's [electronic claims interface](#).¹
- b. **CM/ECF Participants.** Attorneys and certain parties may become registered CM/ECF Participants. Information about registration is available on the [Courts website](#). CM/ECF Participants must update all information submitted with the registration through www.pacer.gov in a timely fashion, including primary and alternate email addresses. Electronic notices returned to the Court may not be re-transmitted and may result in the discontinued use of the associated email address. CM/ECF generated email is sent by scb_ecf_nef@scb.uscourts.gov. Participants should not reply to CM/ECF email from this address. Participants must ensure the domain name “@scb.uscourts.gov” is added to their email address book to avoid problems with the receipt of email from the Court. A participant’s account shall be used only by the participant or an authorized agent under the direction and supervision of the participant. Participants filings documents are responsible for ensuring documents are correctly filed under the applicable CM/ECF event, bear the correct case and/or proceeding numbers, and are readable and accessible. When filing a document, participants shall ensure the document is appropriately titled, linked, and docketed to properly identify the content of the document and that the event and document are docketed in the correct case for proper notice (and service, when applicable) to be provided. Failure to do so may require the re-filing of the document and the cancellation of any hearing associated therewith, denial of any requested relief, or the document may be stricken from the record. Any participant who fails to correctly file a document, files a document using an incorrect case and/or proceeding number, files an unreadable or inaccessible document image, or files a document in an incorrect case or proceeding shall have an affirmative duty to immediately file appropriate motions for the Court to consider and remedy issues resulting therefrom. A participant’s privileges, login, and password may be terminated, disabled, or revoked following notification of disbarment or suspension of a participant who is an attorney or any order of this Court so directing. A participant may deactivate a CM/ECF account through www.pacer.gov. Prior to deactivating an account, the participant shall determine that the requirements of any rule governing the participant’s duty to represent the client have been satisfied.
- c. **Registered CM/ECF Participants and Represented Parties.**
 1. **CM/ECF Unavailable.**
 - A. **Normal Hours.** If CM/ECF cannot be accessed during regular business hours of the Clerk’s Office, the filer shall contact the CM/ECF Help Desk at the Clerk’s Office to confirm that CM/ECF is not accessible and make suitable arrangements with the Clerk of Court for the filing to occur.
 - B. **After Hours.** If CM/ECF cannot be accessed after regular business hours of the Clerk’s Office, and the filing is time-sensitive and will be made untimely as the result of a technological failure of CM/ECF, the filer shall electronically mail the document to the CM/ECF Help Desk at SCB_EmergencyFiling@scb.uscourts.gov.

¹ Information about claim filing and the interface to file a claim or related document is available at <http://www.scb.uscourts.gov/electronic-filing-claims>.

2. **CM/ECF Available.** If the filer is unable to file electronically notwithstanding the general availability of CM/ECF,² filing of a time-sensitive document may be made by filing the paper document with the Clerk of Court in Columbia, electronically mailing the document to the CM/ECF Help Desk at SCB_EmergencyFiling@scb.uscourts.gov.
 3. **Certification of Inability to File Electronically.** Any document submitted under paragraphs (c)(2)(A) or (B) shall be accompanied by a certification setting forth in detail the reasons for the filer's failure to submit the documents through CM/ECF, the time-sensitive nature of the filing, and a request to receive the documents in the manner submitted.
 4. **Determination of Filing.** The Clerk's Office shall immediately submit the documents received pursuant to paragraphs (c)(2)(A)-(C) to the judge assigned to the case for consideration, with or without hearing, and to determine whether to allow the filing or an extension to file. The Court may strike the pleading, deny relief, and require electronic filing if the submission is found to be an abuse of the Court's exceptions to electronic filing.
- d. ***Pro Se* Individuals.** Individuals without legal representation (*pro se* individuals) may effect filings according to the following procedures. This rule applies only to individuals representing themselves, and does not include corporations, partnerships, LLCs or other similar business entities.³
1. **Paper Filings.** Documents for filing with the Court may be delivered to the Clerk of Court at 1100 Laurel Street, Columbia, South Carolina 29201. Documents are not accepted at the Court's Charleston or Greenville locations. If the submission is a petition for bankruptcy relief and accompanying documents, it must be submitted with a copy of a government-issued photo identification of the *pro se* individual that includes name and address. Unless otherwise provided herein, documents received will be processed after receipt during normal business hours on Court business days. If the Court is unable to open to the public or operate during normal business hours, *pro se* individuals may utilize a "drop box" when available, at the Columbia location of the Clerk's Office. Access hours are 8:30 a.m. to 4:30 p.m. on business days. With each submission, the *pro se* individual shall note the current time and date on the envelope, document, or payment and call (803)765-5436 to alert the Clerk's Office that the document or payment was placed in the drop box. The Clerk's Office shall check for any items in the drop box at least once per business day. If a *pro se* individual asserts an item placed in the drop box is urgent, a prompt call to the Clerk's Office will facilitate retrieval or other guidance. Each submission shall be deemed filed or received at the time noted (if available), unless otherwise ordered by judicial determination. If no notation is available, the submission shall be deemed filed or received upon retrieval.
 2. **Electronic Filings.** If *pro se* individuals cannot file documents by delivery to the Court pursuant to subsection (1) above, they may transmit the documents to the Court by email to ProSeFilings@scb.uscourts.gov ("electronic filing"). Each electronic filing shall include a statement detailing the inability to file in person or by mail and a copy of a government-issued photo identification of the *pro se* individual that includes name and address. Each electronic filing shall be deemed filed at the time of receipt by the Clerk's Office, unless otherwise ordered by judicial determination. The Court reserves the right to refuse or return any electronic filing that does not comply with applicable procedures.
 3. **Effect of Non-Compliance.** Should a *pro se* individual fail to comply with applicable procedures, appropriate action may be taken without further notice, including, but not limited to, denying the relief requested and dismissing and closing any case initiated.

² If the inability to electronically file is expected to persist, due to natural disaster or other reasons beyond the control of the filer, the request for an alternative means of filing may govern multiple cases if requested and approved by the applicable judge of the United States Bankruptcy Court.

³ See [SC LBR 9011-2](#). For filings not covered by this Rule, see [SC LBR 3001-1](#) and [9011-4](#).

Notes:

(2013) This new rule incorporates provisions previously found in Operating Order 08-07.

(2017) Paragraph (c)(1) was amended to recognize exceptions to mandatory electronic filing for *pro se* parties may be found in Operating Orders.

(2022) Paragraph (b) was amended to incorporate provisions of former Operating Order 21-02 and paragraph (d) was added to incorporate provisions of former Operating Order 22-02.

LOCAL RULE 5011-1: WITHDRAWAL OF REFERENCE

- a. **Form of Request; Place of Filing.** A request for withdrawal, in whole or in part, of the reference of a case or proceeding referred to the Bankruptcy Court, other than a *sua sponte* request by a bankruptcy judge, shall be by motion filed with this Court and must clearly and conspicuously state that "RELIEF IS SOUGHT FROM A UNITED STATES DISTRICT JUDGE."
- b. **Designation of Record.** The moving party shall serve on the debtor, attorney for the debtor, any trustee appointed in the case, and any other interested party and file with this Court, together with the motion to withdraw the reference, a designation of those portions of the record of the case or proceeding that the moving party believes will be reasonably necessary or pertinent to the United States District Court's consideration of the motion. Within fourteen (14) days after service of the designation of record, any other party may serve and file a designation of additional portions of the record. If the record designated by any party includes a transcript of any hearing or trial, or a part thereof, that party shall immediately after filing the designation deliver to the Court a written request for the transcript and make satisfactory arrangements for payment of its cost. All parties shall take any action necessary to enable the Clerk's Office to assemble and transmit the record to the United States District Court.
- c. **Responses to Motions to Withdraw the Reference; Reply.** Opposing parties must file with the Court, and serve on all parties set forth in subsection (b), their written responses to the motion to withdraw the reference within fourteen (14) days after being served with a copy of the motion.
- d. **Transmittal to and Proceedings in the United States District Court.** When the record is complete for purposes of transmittal, but without awaiting the filing of any transcripts, the Clerk's Office shall promptly transmit to the United States District Court the motion, any filed objections or responses, and the portions of the record designated. Following transmittal, documents pertaining to the matter under review by the United States District Court shall be filed with the United States District Court, but all documents relating to other matters in the bankruptcy case, adversary proceeding, or contested matter shall continue to be filed with this Court.
- e. **Stay.** The filing of a motion to withdraw the reference does not stay proceedings before the Court. Service of a motion seeking a stay pursuant to Fed. R. Bankr. P. 5011(c) shall be served upon the same parties as set forth in subsection (b). The motion shall be accompanied by a notice that the responding party has fourteen (14) days from the date of service of the motion in which to object or respond to the motion.

Notes:

(2008) Portions of this rule were restyled.

(2009) The periods in paragraphs (b), (c), and (e) were amended to multiples of seven as part of time computation amendments.

LOCAL RULE 5070-1: CALENDARS AND SCHEDULING

The Court does not honor general requests for calendaring or scheduling protection. Counsel or a party proceeding *pro se* who asserts a conflict with a scheduled hearing must, absent an agreement to continue that has been approved by the Court, move for a continuance for each matter affected by the conflict.

Notes:

(2013) This new rule incorporates provisions of the Chambers Guidelines.

LOCAL RULE 5073-1: PHOTOGRAPHY, RECORDING DEVICES, AND BROADCASTING

a. **Prohibition Against Camera, Video, Transmitter, Receiver, and Recording Equipment.** Absent a Court order directing otherwise, no camera, video, transmitter, receiver, or recording equipment may be brought into the United States Bankruptcy Court for the District of South Carolina at any of its locations.

b. **Exemptions from Prohibition.**

1. Use of such equipment by an authorized representative of the Court for an official purpose;
2. Use of the Court's videoconferencing system by an authorized representative of the Court to permit the judge to conduct proceedings from or to a remote location;
3. Use of such equipment during ceremonial proceedings with the express permission of the Court and under the supervision of the Court;
4. A device required because of a person's disability; and

Wireless Communication Devices (such as laptop computers, cell phones, PDAs, tablet computers, and other wireless devices) are allowed in the courthouse locations, excluding [Greenville](#),¹ under the following terms and conditions:

1. Wireless Communication Devices may be brought into the courthouse locations by an attorney (or support staff accompanying the attorney). Litigants, witnesses, *pro se* parties, members of the media, and the public may bring wireless communication devices into the courthouse only in connection with a hearing or trial and only with the prior authorization of the presiding judge. All Wireless Communication Devices are subject to security screening.
2. All Wireless Communication Devices must be programmed or rendered to be inaudible upon entering a courtroom or areas adjacent to a courtroom or judicial chambers.
3. Any party bringing a Wireless Communication Device into the United States Bankruptcy Court shall use the device only for purposes of evidence presentation, research, electronic mailing, note taking, communication, and scheduling in connection with a matter pending before the Court and other legitimate business purposes. Under no circumstances may a device be used to conduct broadcasting,² televising, recording, or photographing in any courthouse location.
4. Use is permitted only to the extent that it does not interfere with judicial proceedings, including a 341 meeting conducted in the courthouse, or with the ability of the public to observe proceedings. A presiding judge or trustee at a 341 meeting may order the discontinuance of the use of such Wireless Communication Devices at any time.

Notes:

(2008) Portions of this rule were restyled and a reference to a separate Administrative Order was added.

¹ The policy of the United States District Court for the District of South Carolina governs wireless communication devices for the Greenville Division.

² Broadcasting is construed in the broadest sense and includes commentary about court proceedings on the internet or to a third party.

(2011) The title of the rule was amended to conform with the model numbering and naming conventions recommended by the Judicial Conference. Paragraph (a) was amended to remove reference to specific electronic devices and to broadly cover all such devices under the term "wireless communication devices" as recommended by the Judicial Conference.

(2013) Paragraph (c) was added to incorporate the Administrative Order on the Use of Electronic Devices. Former paragraph (b) was deleted as unnecessary.

(2022) Changed the Court's location from Spartanburg to Greenville.

If you wish to oppose the motion to dismiss, you must file with the court and serve on the other party a written response within the time period set forth in a notice that will be separately mailed to you by the Clerk of Court. If you file a written response, a hearing will be held at the location and time set forth in the notice from the Clerk of Court. **If you fail to file a timely written response to the motion, the court will consider the motion unopposed and may grant the motion without holding a hearing.** This will result in the termination of the proceeding, or some part thereof, in favor of the moving party.

Notes:

(2016) The previous version of this rule, adopted in response to *Stern v. Marshall*, was repealed effective December 1, 2016. The current version of this rule was adopted effective December 1, 2016.

Any response to a motion filed in connection with discovery shall be filed and served within fourteen (14) days after service of the motion and shall state the pertinent facts and applicable legal authority relied upon in opposition to the motion. - d. **Compliance with Discovery Orders.** After the Court has ruled on a discovery motion, any answer, production, designation, inspection, or examination required by the Court shall be completed within fourteen (14) days after the entry of the order of the Court, unless otherwise ordered by the Court.
- e. **Extensions.** Parties may grant informal extensions of time for the purpose of resolving disputes concerning discovery only if the extension does not alter or conflict with the deadline for concluding all discovery set forth in the scheduling order. Any other extensions of time to respond to discovery may only be obtained by order of the Court following appropriate motion.

LOCAL RULE 7030-1: DEPOSITIONS AND EXAMINATIONS

- a. At the beginning of each deposition or Rule 2004 examination, deposing counsel shall instruct the witness to ask deposing counsel, rather than the witness's own counsel, for clarifications, definitions, or explanations of any words, questions, or documents presented during the course of the deposition. The witness shall abide by these instructions.
- b. All objections, except those which would be waived if not made at the deposition under Fed. R. Civ. P. 32(d)(3), and those necessary to assert a privilege, to enforce a limitation directed by the Court, or to present a motion pursuant to Fed. R. Civ. P. 30(d), shall be preserved.
- c. Counsel shall not direct or request that a witness not answer a question, unless that counsel has objected to the question on the ground that the answer is protected by a privilege or a limitation on evidence directed by the Court or unless that counsel intends to present a motion under Fed. R. Civ. P. 30(d)(3). In addition, counsel shall have an affirmative duty to inform their clients that unless such an objection is made, the question must be answered. Counsel directing that a witness not answer a question on those grounds or allowing their clients to refuse to answer a question on those grounds shall move the Court for a protective order under [SC LBR 7026-1](#) within five (5) business days of the suspension or termination of the deposition or examination. Failure to timely file such a motion will constitute waiver of the objection, and the deposition or examination may be reconvened.
- d. Counsel shall not make objections or statements which might suggest an answer to a witness. Counsel's objections shall be stated concisely and in a non-argumentative and non-suggestive manner, stating the basis of the objection and nothing more.
- e. Counsel and witnesses shall not engage in private, "off the record" conferences during depositions or during breaks or recesses regarding the substance of the testimony at the deposition or examination, except for the purpose of deciding whether to assert a privilege or to make an objection or to move for a protective order.
- f. Any conferences which occur pursuant to, or in violation of, paragraph (e) are proper subjects for inquiry by deposing counsel to ascertain whether there has been any witness coaching and, if so, to what extent and nature.
- g. Any conferences which occur pursuant to, or in violation of, paragraph (e) shall be noted on the record by the counsel who participated in the conference. The purpose and outcome of the conference shall be noted on the record.
- h. Deposing counsel shall provide to opposing counsel a copy of all documents to be shown to the witness during the deposition or examination, either before the deposition or examination begins or contemporaneously with the showing of each document to the witness. If the documents are provided (or otherwise identified) at least three (3) business days before the deposition, then the witness and the witness's counsel do not have the right to discuss the documents privately during the deposition or examination. If the documents have not been so provided or identified, then counsel and the witness may have a reasonable amount of time to discuss the documents before the witness answers questions concerning the document.
- i. If an objecting party or deponent demands, after good faith consultation, that the deposition be suspended pursuant to Fed. R. Civ. P. 30(d), the assigned judge's office shall be contacted to allow that judge to resolve the matter telephonically, if possible.
- j. Violation of this local rule may be deemed to be a violation of a Court order and shall subject the violator to sanctions under Fed. R. Civ. P. 37(b)(2).

Notes:

(2010) This rule is new and incorporates provisions found in the local rules of the District Court.

NOTICE

A motion for summary judgment is a request that one or more issues in a case be decided without holding a trial. Motions for summary judgment are governed by Rule 56, Federal Rules of Civil Procedure. Summary judgment may be granted if (a) the material facts are not genuinely disputed and (b) based on those facts, the party asking for summary judgment is entitled to judgment as a matter of law. If you wish to oppose the motion, you must file with the court and serve on the other party a written response within the time period set forth in a notice that will be separately mailed to you by the Clerk of Court. If you file a written response, a hearing will be held at the location and time set forth in the notice from the Clerk of Court. **If you fail to file a timely written response to the motion, the court will consider the motion unopposed and may grant the motion without holding a hearing.** This will result in the termination of the matter in favor of the moving party. If you disagree with any of the facts stated by the other party, you must include with your response sworn statements from yourself or other knowledgeable witnesses supporting your version of the facts. A sworn statement may take the form either of an affidavit or a declaration signed under penalty of perjury. Any documents you want the court to consider should be identified in, and attached to, the sworn statements. If you are unable to obtain sworn statements supporting your position, you must file a sworn statement stating why you are unable to obtain such statements at this time.

Notes:

(2016) This rule is new.

3. An account for each case will be established in CRIS titled in the name of the case giving rise to the investment in the system. Income received from fund investments will be distributed to each case based on the ratio each accounts principal and income has to the aggregate principal and income total in the fund each day.

c. **Registry Investment Fee.**

1. The custodian is authorized and directed by this rule to deduct, for maintaining accounts in the fund, the registry fee. The proper registry fee is to be determined on the basis of the rates published by the Director of the Administrative Office as approved by the Judicial Conference.

Nothing herein precludes *ex parte* or *sua sponte* action by a judge.
- b. **Petitions by Barred Debtors.** If a petition is filed in violation of a previous order of dismissal with prejudice, statute, or rule, the Court may dismiss the case and/or annul the automatic stay *ex parte*, provide *in rem* relief, or take other action, with the Court retaining jurisdiction for the purpose of considering further action or sanctions including barring further filings with the Court.

LOCAL RULE 9011-4: SIGNATURES

a. **CM/ECF Participants.**

1. **Method and Form.** Unless otherwise provided herein or by statute, rule, or order, documents filed with the Court in paper form must contain original “wet” signatures. In lieu of the original signature, an authorized CM/ECF Participant may file a document containing a scanned copy of the original signature, a digital signature via any commercially available signature software that provides signature authentication, or an electronic signature. The filing of the document(s) by the CM/ECF filer constitutes a certification that the filer obtained, prior to filing, either the original, physical signature or express documented permission from the signer to affix the signer’s signature to the document and file it, and that the filer has verified that the authorizing signer is in fact the signer. All signatures on documents filed using CM/ECF must be displayed in one of the following ways: by a scanned copy of the original document containing original signature, by electronic or digital signature, or by a “/s/” or “s/” and the name of the person typed in the space where the signature would otherwise appear (e.g., /s/ Jane Doe or s/ Jane Doe). Filing any document using a CM/ECF login and password or the Court’s claim interface constitutes the filer’s signature for purposes of signing the document under Fed. R. Bankr. P. 9011. In instances where there is a discrepancy between any CM/ECF login and signature upon the electronic filing of a document, or in instances in which multiple signatures are included, both the filer whose login was used and the signer(s) are responsible attorneys for both Fed. R. Bankr. P. 9011 and [SC LBR 2090-1](#) purposes. All signer(s) must include name, address, telephone number, electronic mail address, United States District Court identification number (where applicable), and any other information as directed by judge, local rule, or order. Unless ordered by the Court upon a showing of exceptional circumstances, the signature of an attorney acting as local counsel for an attorney admitted *pro hac vice* must appear on all documents filed with the Court.
2. **Retention of Original.** Unless otherwise provided by statute, rule, or order, the CM/ECF Participant is not required to obtain or retain original signatures where the signer has expressly authorized in writing or electronically that the document be filed with that signer’s digital or electronic signature affixed. However, the filer must retain sufficient evidence of the signer’s permission to sign a particular document and the document’s contents as follows: if the case is dismissed, for a period of three (3) years; or if not dismissed, until the case or adversary proceeding is closed and the appeal time has passed and, if applicable, the time within which a discharge of the debtor may be revoked has passed. Under order of the Court, such documents must be provided for review to parties.

- b. **Pro Se Individuals.** Any document to be filed with the Court that requires a *pro se* individual’s signature shall be signed with the original handwritten signature of the filer before delivery to the Court in paper form or by electronic transmission. *Pro se* individuals shall not electronically sign documents. If the document is an electronic filing made pursuant to [SC LBR 5005-4\(c\)\(2\)](#), the original document shall be mailed or delivered to the Clerk of Court in Columbia within seven (7) days of the electronic filing.

- a. **Service of Motion, Proposed Order, and Resulting Order.** The moving party shall file the motion and simultaneously serve on all appropriate parties copies of the motion and any proposed order. For self-scheduled motions under [SC LBR 9013-4](#), the movant shall also file and serve a copy of the hearing notice on all appropriate parties. Resulting orders shall be served as indicated in [SC LBR 9013-4](#) and its exhibits.

The Court will not shorten the time for notice to less than fourteen (14) days absent a sufficient showing of extraordinary circumstances.
- d. **Scheduling Orders.** If discovery is necessary to prepare for a hearing in a contested matter, a scheduling order may be requested by any party after consulting with all other parties. Whether all parties consent to the entry of a scheduling order should be noted.
- e. **Denial of Relief.** Relief may be denied without a hearing for any motion incorrectly scheduled, noticed, or docketed.

³ In the discretion of the Court, matters noticed for a hearing may be removed if no objection is filed.

⁴ The hearing notice should be signed by the movant's attorney or the movant, if moving *pro se*. In certain instances a different form is required as reflected on the exhibits to this rule.

⁵ Parties affected by the relief requested may include the debtor, debtor's counsel, the United States Trustee, and the case trustee.

C. A proposed order.⁶

Notes:

(2008) Portions of former SC LBR 9014-2 were incorporated into this rule.

(2009) The periods in paragraphs (c)(1)(A) and (d) and Exhibit A were amended to multiples of seven as part of time computation amendments.

(2010) The objection period for agreements related to relief from the automatic stay in Exhibit A was amended to a multiple of seven as part of time computation amendments. Exhibit A was also amended to allow trustees to use uniform notices approved by the EOUST and to add a motion to retain an asset to the list of approved passive matters.

(2012) Exhibit A was amended to clarify that the passive notice procedure is available to the trustee and debtor in possession for abandonment of property.

(2013) The rule was renamed to accommodate self-scheduling of other types of motions. Former paragraph (a) was deleted. Former paragraphs (b)(2) and (3) and (d) were moved to 9013-1. Former paragraphs (c)(3) and (e) were deleted as unnecessary pursuant to SC LBR 9014-1. The remaining paragraphs were relettered. Paragraphs (a) and (b) were restyled to allow for self-scheduling of definite hearings. Exhibit A was amended to remove applications to employ and consensual motions to modify a mortgage. The following were added to Exhibit A: motions under SC LBR 4001-1, motions to convert by a trustee, requests for exemption or waiver of credit counseling or financial management, motions pursuant to SC LBR 1015-1, and motions to extend time to file a chapter 11 plan or disclosure statement. The deadline to object to a motion to modify the codebtor stay was changed from 21 to 14 days in Exhibit A. Exhibits C and D were added.

(2014) A technical amendment was made to Exhibit C to reflect that the notice period in a chapter 11 case to sell, use, or lease property is 21 days. Paragraph (b)(1)(C) was amended to cross-reference Chambers Guidelines. Clarifying amendments were made to Exhibits A and C to reflect that the United States trustee can use this rule for certain motions to dismiss or convert and that a debtor is not required to file a motion for a limited exemption from pre-petition credit counseling pursuant to 11 U.S.C. § 109(h)(3). A clarifying amendment was also made to footnote 12 to Exhibit A to reflect that the self-scheduling procedure does not apply to certain requests for fees in chapter 13 cases.

(2016) Exhibit C was amended to require 28 days notice for a motion for hardship discharge.

(2017) Exhibit A and the Court's local forms for passive and non-passive notices were updated to comply with Official Forms B 416A and B 420A. A footnote was added to Exhibit A to require a party objecting to a claim to use Official Form B 420B as the notice. Matters were added to the passive notice list. The following matters were added to the passive list: (1) Motions to Modify Confirmed Chapter 13 Plan, with objections due seven (7) days prior to the confirmation hearing date and (2) Motions to Declare Secured Claim Satisfied/Lien Avoided pursuant to Fed. R. Bankr. P. 5009(d), with a twenty-eight (28) day objection period. Motions/Applications Nunc Pro Tunc have been added to the non-passive list, with a fourteen (14) day objection period.

(2018) Exhibit A was amended to add motions pursuant to § 1307(c) and clarify that the Court will prepare the order for motions to convert or dismiss except under §§ 707(b), 1112, or 1307(c). A technical amendment was made to Exhibit A to add petitions to dismiss by a chapter 13 trustee pursuant to § 1307(c) to matters that may be self-scheduled.

(2019) Exhibit A was amended in light of new Local Rule 3015-8.

⁶ In certain instances, the Court will prepare an order and no proposed order is necessary. Those instances are reflected in the exhibits to this rule.

(2020) The exhibits to the rule were substantially revised. A list of parties to be served was added to the exhibit and various notice deadlines have changed. Some matters previously delegated under Local Rule 5075-1 were added to the exhibits, and some matters were removed. If a matter no longer appears on the exhibits it is no longer a self-scheduled matter.

(2021) The footnote to the rule was amended to clarify that the rule does not apply in adversary proceedings. Exhibit B was amended to clarify that motions to sell; obtain credit; or use cash collateral in a chapter 12 case are passively noticed. The instructions to the exhibits and the exhibits were revised to recognize that some parties may receive notice or service by NEF. The exhibits were also revised to reduce case-wide notice of certain delegated orders.

(2022) Removed footnote 4 indicating that Chambers Guidelines must be considered in connection with the Local Rules because judges may have differing procedures or requirements. Paragraph (b)(1)(C) was amended to clarify that hearings are to be in the case's division and before the assigned judge unless otherwise allowed by Chambers Guidelines or after consultation with court staff. Exhibits were amended to move applications for compensation to Exhibit B for non-passive notice.

GENERAL PROVISIONS FOR EXHIBIT A & B TO SC LBR 9013-4

Exhibits A and B of SC LBR 9013-4 provide guidance to aid with service and notice, including service of any resulting order. A list of other notices and orders on which service has been delegated can be found at SC LBR 5075-1. To determine the manner of notice or service required, consult Fed. R. Bankr. P. 9036 and SC LBR 5005-4 and 9013-3. In addition to notice and service of a paper by mail, Fed. R. Bankr. P. 9036 provides electronic notice and service of pleadings and orders via CM/ECF (a notice of electronic filing or “NEF”) on registered users is effective notice or service except in circumstances where heightened service under Fed. R. Bankr. P. 7004 is required. Parties that routinely receive NEFs include the Case Trustee, the United States Trustee, the Clerk of Court,¹ and any counsel who previously made an electronic appearance in the bankruptcy case by filing a document or notice of appearance. These parties are noted on the exhibits in red and only require service by mail when Fed. R. Bankr. P. 7004 so requires. In instances where an objecting party is represented by counsel, that party’s counsel also receives an NEF of any resulting order. To assist parties with application of Fed. R. Bankr. P. 7004, the exhibits note when further examination into whether service under that rule may be required, but only denotes those matters that are expressly considered “Contested Matters” under Fed. R. Bankr. P. 9014 in the Code and Bankruptcy Rules.

The mailing matrix in CM/ECF is continuously updated during the case. Parties should use the most up-to-date mailing matrix when providing notice and service. Please note that the mailing matrix also includes parties who receive an NEF. Depending on the circumstances mentioned above, these parties may not require additional notice or service by mail. You may refer to the “Mailing Info for a Case” utility event in CM/ECF to determine which parties in a case will receive an NEF.

For purposes of this rule and exhibits, in voluntary chapter 7, 12, and 13 cases or an involuntary chapter 7 case, the term “mailing matrix” on the exhibit only applies to debtor’s counsel and those parties listed in Fed. R. Bankr. P. 2002(h)(1) or (2), as applicable, in those instances where notice is required by Fed. R. Bankr. P. 2002(a) following the time period set forth in that rule. Exhibits are provided as a convenience. Parties should consult all applicable authorities to ensure adequate notice and service.

¹ The Clerk of Court does not require or otherwise wish to receive service of pleadings and orders that have been filed on the Court’s docket in CM/ECF.

When any order, plan, notice, statute, rule,¹ pleading or any other document (any one of which is hereinafter referred to as the "document") requires parties in interest which oppose the relief sought in the document to file an objection, return, or response within a specified time, the following applies:

- a. The objection must be in writing and properly captioned in accordance with Fed. R. Bankr. P. 9004 and set forth with particularity the reasons for opposition, citing applicable statutes, rules and controlling case law. The parties may be limited to arguing the matters raised in the objection.
- b. Where opposing a motion for summary judgment, the objection or memorandum in support of objection should include a short and concise statement of the genuine issues of material facts which remain to be determined before judgment can be granted.
- c. Prior to any scheduled hearing, the Court may consider withdrawals of objections, or settlements between the party requesting relief and the objecting parties indicated by consent order, and remove a matter from the hearing calendar.
- d. If no objection is filed within the applicable time period, the Court may grant the movant relief without further hearing.
- e. Absent Court approval, no extension of the time permitted to respond to any motion, objection, or other contested matter is effective.

- c. **Selection of the Mediator.** The mediator may be selected from the list of mediators available via the Court or, upon the agreement of all the parties, may be some other person otherwise qualified by training or experience to mediate all or some of the issues involved.
