

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF SOUTH CAROLINA**

IN RE:

**RESTORATION OF BANKRUPTCY
NOTICING CENTER SERVICES AND
ABROGATION OF OPERATING
ORDERS 26-02 AND 26-03,**

OPERATING ORDER 26-04

Filed By The Court
10/28/26
U.S. BANKRUPTCY COURT DISTRICT OF SOUTH CAROLINA

The Court entered Operating Orders 26-02 and 26-03 in response to the nationwide disruption of services (“notice disruption”) provided by the Bankruptcy Noticing Center (“BNC”). The Court has since been advised the BNC fully restored its normal noticing operations and reopened access to the National Creditor Registrations Service and preferred-address functionality associated with 11 U.S.C. § 342(f). The Court was further advised that all applicable notices and orders generated by the Court will be served by the BNC in the normal course and the BNC has begun addressing the backlog of unserved notices that accumulated during the notice disruption. Due to the restoration of BNC services, the Operating Orders are no longer necessary.

IT IS, THEREFORE, ORDERED that effective immediately, Operating Orders 26-02 and 26-03 are abrogated prospectively and parties are relieved of the additional obligations imposed therein. SC LBR 5075-1 and 9013-4 remain in effect and nothing in this Order alters any service obligation independently imposed by statute, rule, local rule, or an order entered in an individual case.
